Parental Support

Parent Name _____

Parent Phone _____

Parent Email _____

The Kaikorai Junior Cricket Club has a proud reputation of providing a supportive and enjoyable environment for children to learn the game of cricket. To ensure that the Club continues to provide this opportunity we actively seek that all parents commit to supporting their child and the club wherever possible.

All teams will need at least two parent helpers and a coach. The more support a team has the better.

If we do not have sufficient parental support we may not be able to make teams for all players and some will miss out.

I'm prepared to coach*

I can assist at team practices*
